

Andrew Oen

Tipp City, OH | Auburn University | (937) 332-9338 | ato0015@auburn.edu | <https://andrewoen.github.io/Eportfolio/>

EDUCATION

Auburn University, Auburn, AL | GPA: 4.0 August 2024 – Present
Samuel Ginn College of Engineering (Mechanical)

RELEVANT EXPERIENCE

Brumbaugh Engineering & Surveying, West Milton, OH May 2024 – August 2024
Survey Engineer Intern

- Collaborated with multiple crews/teams to survey and prepare various construction sites to ensure precision during excavation around the Midwest (Ohio, Kentucky, and Indiana).
- Shadowed senior engineers using AutoCAD to turn surveying data into 2D and 3D maps of job sites.

LSI Industries, Cincinnati, OH May 2026 – August 2026
Engineering Intern

- Developed a parameter-driven "pole generator" in Autodesk Inventor using 8,000+ lines of custom code, boosting the efficiency of this process by 600%.
- Redesigned die-cast end caps for the LAW2 product line to add a mechanical stop, preventing gasket over-compression and improving seal reliability while reducing costs by up to \$1.35 per end cap.
- Integrated Generative AI tools into daily workflows to accelerate technical documentation, research, and scripting, boosting overall productivity and reducing design automation development time.

Intro to Mechanical Engineering, Auburn University August 2024 – December 2024
Group Leader

- Used SolidWorks to design and optimize a bracket as a team to hold the most weight (78lb, 1st place).

SKILLS & COURSEWORK

Auburn University August 2024 – Present

Computer: SolidWorks, MATLAB, Autodesk Inventor, Autodesk Vault, Artificial Intelligence

Instrumentation: Lathe, Mill, 3D-Printer, Forklift

Coursework: Physics I, Physics II, Statics, Kinematics, Dynamics, Fluids, Thermodynamics I & II, Manufacturing Technology, MECH 2220 (CAE), Mechanics of Materials, Mechanical Design

SERVICE

Beat BAMA Food Drive, *Student Volunteer* August 2024 – December 2024
Tipp Youth Basketball & Football Camp, *Student-Athlete Volunteer* July 2020 – July 2024
St. Jude, *Volunteer* August 2024 – Present

LEADERSHIP AND ACTIVITIES

American Society of Mechanical Engineers (ASME) Member August 2025 – Present
Member of Tau Kappa Epsilon Social Fraternity October 2024 – Present
Lead multiple design review and concept walk through meeting May 2026 – August 2026
Tippecanoe Men's Luncheon Advisor November 2023 – May 2024

HONORS AND AWARDS

Member of The Pi Tau Sigma Mechanical Engineering Honor Society (Top 25%) March 2026 – Present
Pumphrey Outstanding Pre-Engineering Student Award (Top 5%) May 2025
Recipient of Auburn University Charter Legacy Scholarship August 2024 – May 2028
